Ennes,

I have~~s~~ been calling you that all year,
so why change now? Having P.E. with you
this year has been quite an... um... m...
experience! I've enjoyed talking to you about
our love lives. By the way, don't be too hard
on poor Purckard when you find him!
Even though you won't be going here next
year, I'm sure I'll still see you once ^(I CAN'T WRITE!)
in a while. I'll come down to Sears and
say "Hi!" (dumb store... they wouldn't hire
me...) Anyway, good luck at Fullerton next
year. Don't overwork yourself and stay out of
trouble, OK? (At least try!)

Have a great vacation and take care of
yourself.

Your P.E. pal,

Dana K.

Kathy,

I'm really gonna miss ya. Last year I had
you in Biology and thought you were a nut, but
this year, I found out you are a nut. I think
you'll make a good "shrink", 'cause you've come
in close contact with some real Xooks! Thanks
for letting me eat with you when I was lonely!
I hope I'll see you again - If I get hard-up
I'll just go to Sears! God Bless you!

P.S. - oh yeeh,
thanks a lot
for letting me
use your comb
this year, I
just about wore
it out!

I'm gonna miss ya
super bad!

Love,

ADMINISTRATORS

Mr. Ross Leads Capable Staff

Mrs. Musolf, Mr. Ross' secretary

Each year of our lives is different from all the others. Your school yearbook seeks to preserve a small portion of one year in a student's educational career. Hopefully, as you re-read this journal of student experiences you will feel a sense of pride and warmth toward your school.

The love and concern of the faculty and staff, coupled with the interest and vitality of the students, are the major factors in the quality of any school. When you look back at your high school years, it is my hope you will feel Savanna had these things in abundance and your days on campus were good ones.

Congratulations to each of you upon the completion of another successful school year. May your days ahead be happy and productive.

Robert Ross, Principal
Savanna High School

You know Kat-

This year the Savanna campus underwent a great change in the system. The Student Services office has been responsible for all phases of attendance and discipline problems. The Counseling Center housed three members of our counseling staff; Mr. Brauner, Mr. DeBry, and Mr. Roberts. They have also dealt with some discipline and attendance problems aside from their own responsibilities. The Career Center is responsible for all types of counseling related to college, work experience, and career guidance. Another important move was to bring the Activities Office to the center of the campus.

ACTIVITIES

September Brought Old and New Faces

September brought summer to an end with registration. Suddenly we were awakened with a new school year—a common chapter in each of our lives. A variety of activities brought September alive. The arrival of new sophomores brought class elections. A new football season opened. Above all, new friends were found among the many faces on campus.

"The Aim of Education is to enable Man to continue his Learning."

Now and Forever 1972

Senior Attendants,; Rhealene Wathall and Kim Briggs Junior Attendant, Ann Oseid, Sophomore Attendant Shawn Nakamura.

Queen Liz Verduzco
King Brian Akamine

To some people homecoming is just another day. To others it is a time to get reacquainted with old friends.

This years theme was "Now and Forever". Liz Verduzco was crowned Savanna Belle 1972-73. Savanna broke tradition by choosing Brian Akamine as Rebel King. The dance was held at the Hilton Inn of Fullerton.

Savanna Wins

Allen Tenno and squad demonstrate latest cheer formation.

November brought Savanna's traditional Beat Kennedy Week. Each day consisted of a different activity. Everyone came alive for the first time this year. The Scuzz-out contest was just as bad as the year before. The juniors tied the seniors at the powder-puff football game. The guy, song and cheerleaders showed talent that had been hidden for many years. Each day lead up to the big football game with our rivals. We fought a hard fight and lost the game but won the clean campus award.

THE GREATEST DISTANCE WE HAVE YET
TO COVER STILL LIES WITHIN US.

The car show was held in the quad at lunch Monday.

Enchanted Noel Reflected the Spirit

Student announcers, Judy Walker, Rhealene Walthall and Diane Rauch, bring students Christmas cheer.

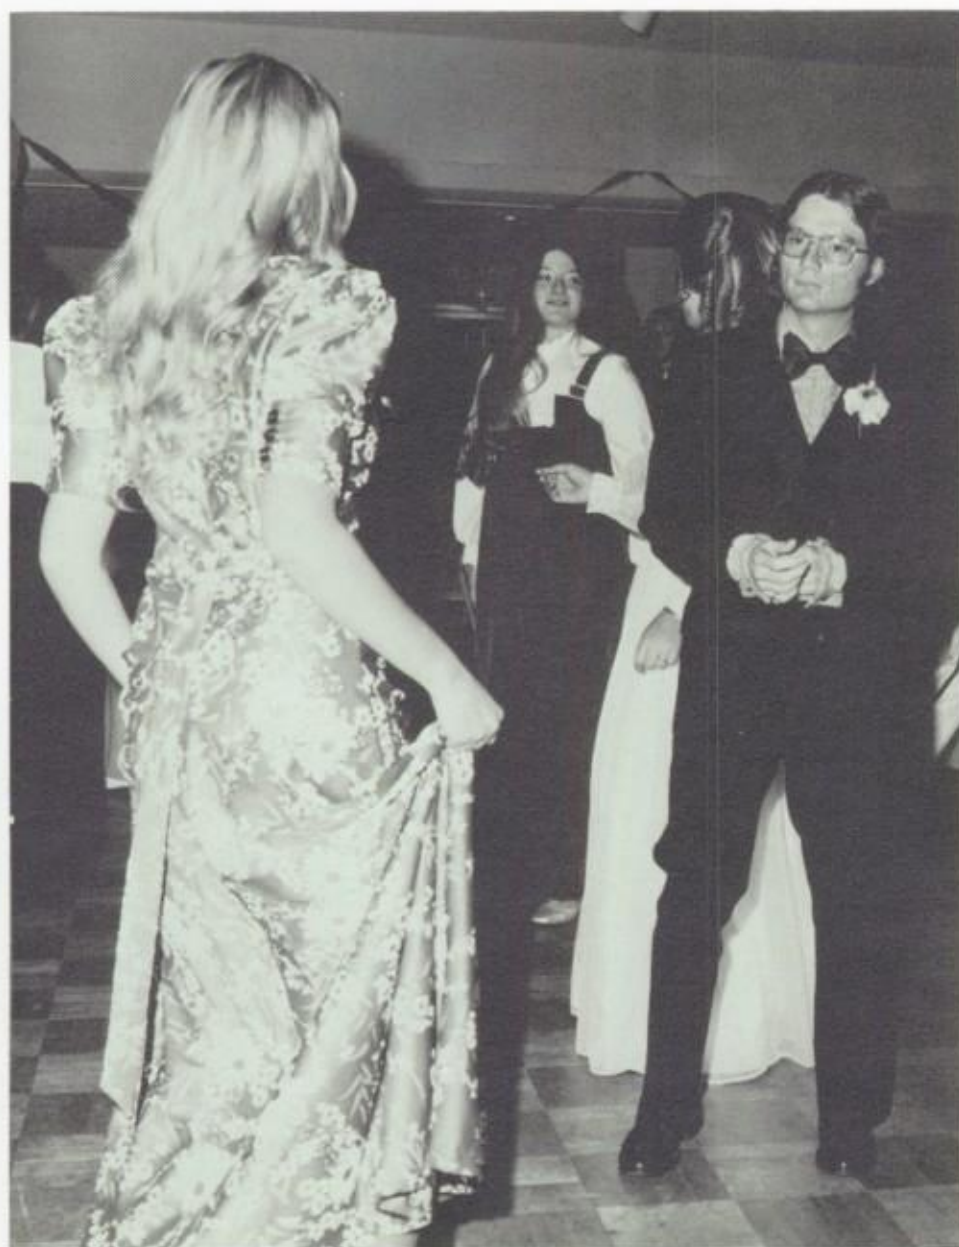

How does that taste?

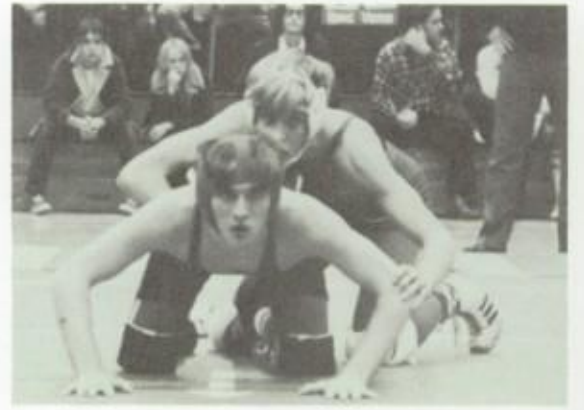

Enchanted Noel 1972

Enchanted Noel, the Christmas Formal and Christmas vacation, tied as the most popular activities this month. Basketball season began with the Anaheim Tournament. It ended with the beginning of a new year.

...AND ON EARTH PEACE,
GOOD WILL TOWARD MAN

A New Year; Happiness Today Happiness Forever.

January brought a new year as well as finals. Each student found some time for a variety of activities. There was just one semester to go.

If you must doubt, doubt your doubts never your beliefs.

An exciting basketball game.

Young lovers where ever you are, Happy Valentines day.

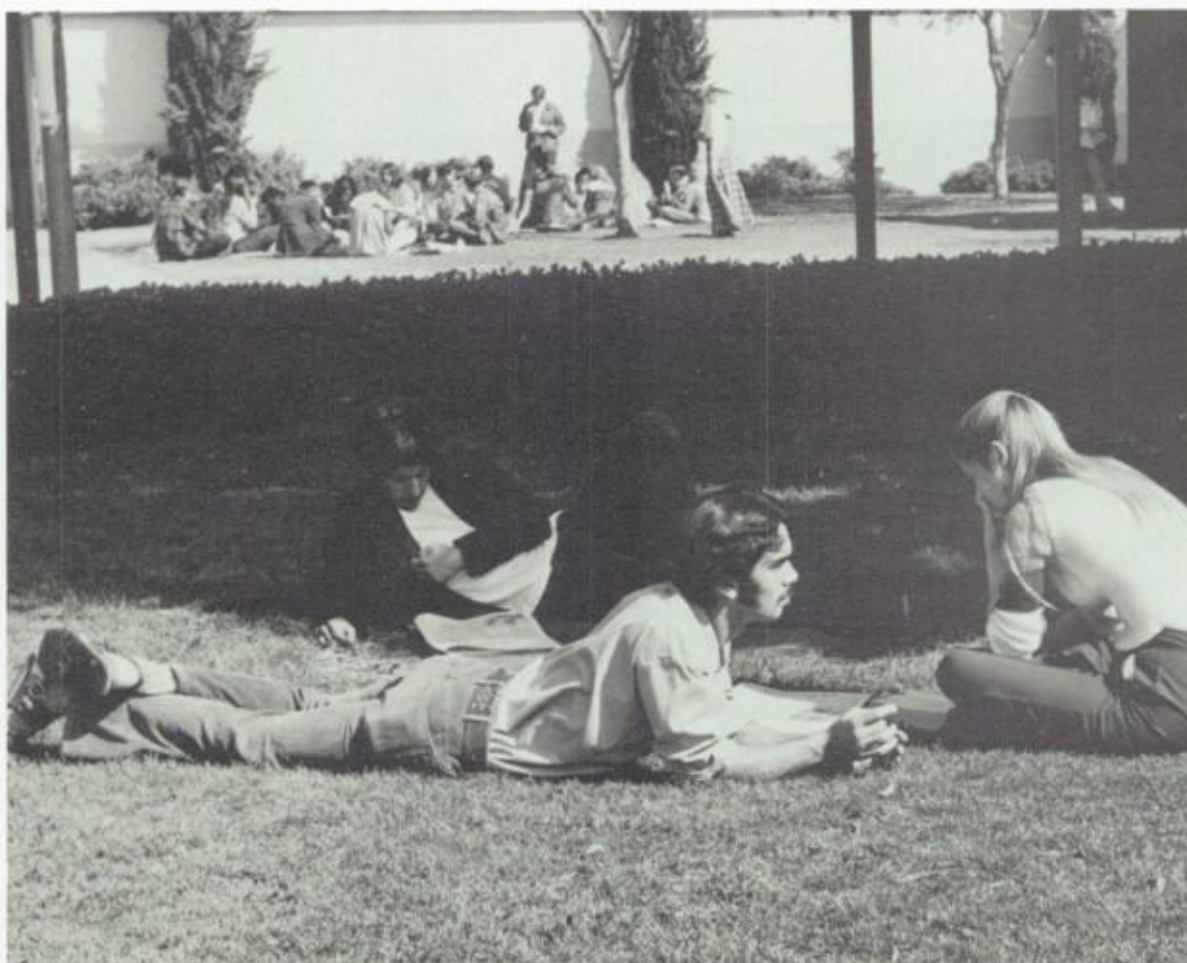

February; the long cold rainy days were true signs of winter. The long awaited arrival of our POW's became reality. Basketball and wrestling closed their seasons and boys from every grade began training for the upcoming baseball season.

THE GLORY OF LIFE IS TO LOVE,
NOT TO BE LOVED, TO GIVE, NOT
TO GET; TO SERVE, NOT TO BE
SERVED.

The Lovely Promises of Spring

There were many activities during the month of March. Thespians presented 'Teahouse of the August Moon' a comedy. Our first annual Swap Meet was held the 3rd. Song and Cheer for 73-74 were chosen.

THE SMILE ON YOUR FACE IS
THE LIGHT IN THE WINDOW
THAT TELLS PEOPLE THAT YOU
ARE AT HOME.

May

The highlight of May was the Jr.-Sr. prom. The dance was held at the Quality Inn Hotel. Primo provided the music. Faces have a new awareness- perhaps summers on their minds! Many received recognition at the frequent Awards banquets.

THOUGH WE TRAVEL THE WORLD OVER
TO FIND THE BEAUTIFUL, WE MUST
CARRY IT WITH US OR WE FIND
IT NOT!

Rebel "73" presented **Brodway**. Hours of long work with loads of talent made the event a great success. Thanks go to Debi Parks, Joe Compise, JoAnn Ogee, and last but not least, our one and only Mr. Hoffmaster.

REAL FRIENDS ARE THOSE WHO, WHEN YOU'VE MADE A FOOL OF YOURSELF, DON'T FEEL THAT YOU'VE DONE A PERMANENT JOB.

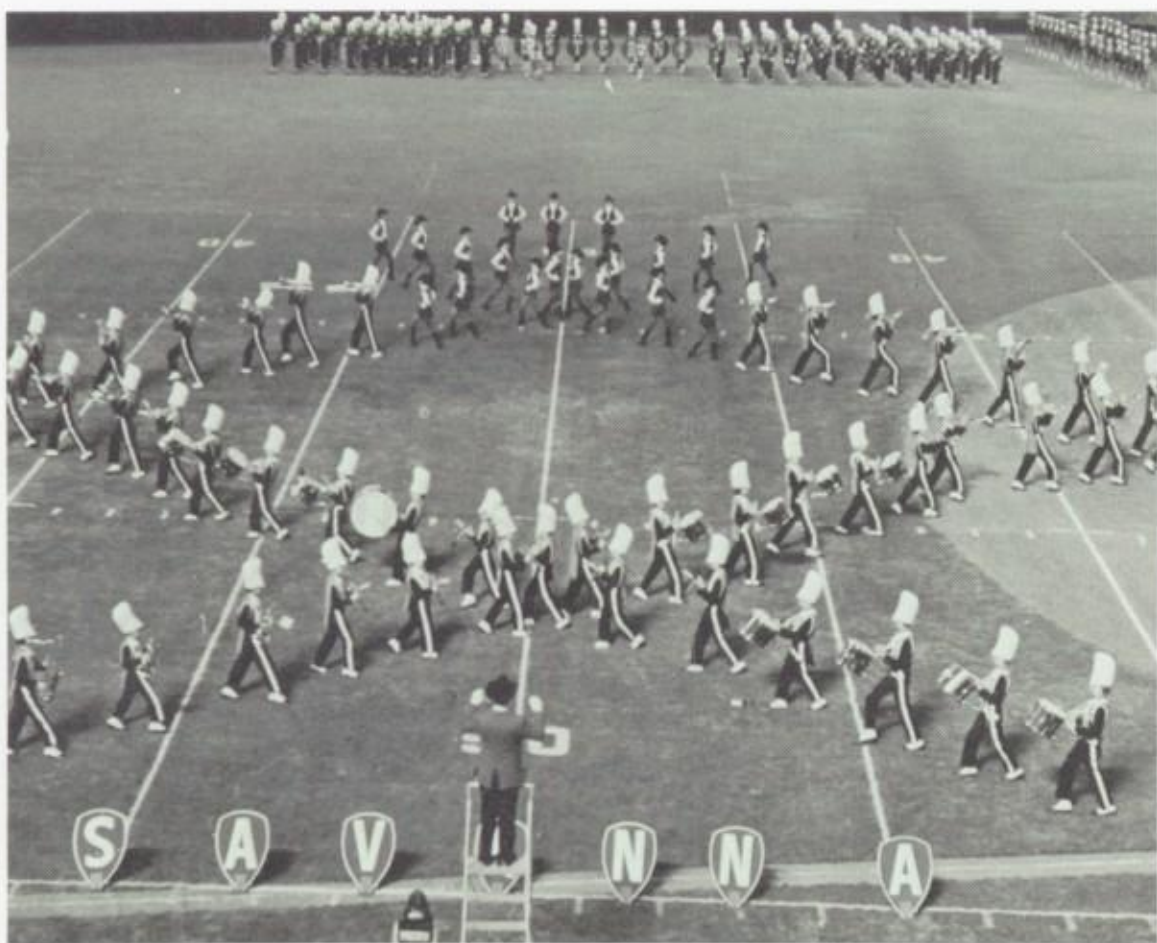

April Showers Bring Mays Flowery Faces?

Let Us Be Thankful for the Beauty of Summer

Another school year completed.
 Graduation for Seniors.
 Yearbooks for all.
 All activities completed.
 Recognition for those deserving of it.
 A long awaited summer.
 Above all, a beginning for many.

GO PLACIDLY

N.H.S.

This year the National Honor Society is not only active academically, but also many of the members are involved in other extra curricular events such as: Song, Cheerleading and student government. During the year, National Honor Society sponsored a money raising program consisting of car rallys, pizza parties and banquet, so that by the end of the year they had enough money to give scholarships to two seniors.

A yearbook isn't as easy to produce as you may think. We must pick from hundreds of pictures taken by photographers, think of layouts for each page and then finish each page with an appropriate summary or title. Along with this must come imagination and leadership, which came from our editor, Connie Breen, and advisor, Mr. Rawlings.

We the entire Savanna yearbook staff of 1972-73, are proud to present to the Rebel Student Body this year's Savannan.

Newspaper

This year's newspaper staff has accomplished a great deal this year. The newspaper is one of the oldest traditions of Savanna, but is still considered one of the most liked traditions on campus. The 1972-73 newspaper staff has set a new and modern look, combined with the old, to make Savanna's newspaper the best we've had yet.

We would like to congratulate Mr. Meiss and Mike Trybom for their creativity and leadership for another successful year as head of the Savanna newspaper.

The Pep Club under the supervision of Mrs. Schmaus, had many changes this year. Along with the responsibility of painting signs for the games, they baked cakes for the football players, planned the Pep Assemblies, and decorated the quad. Terry "Peanuts" Lowry and Kim Briggs were co-commissioners of Pep.

Cheer and Songleaders in Action!

Homecoming brought the return of the graduated song and cheerleaders.

It was an exciting night for both the new and the old.

The song and cheerleaders were constantly on the go, entertaining students at pep assemblies, composing cheers and attending clinics. They attained an award at UCLA for their performances and ingenuity, but more important helped promote Rebel Pride, spirit and determination.

There is never an end to their activities, football season following with basketball, track and baseball keep them busy throughout the year making up new routines and cheers. Never stopping their services for Savanna make them the best squads we have ever had.

“Rough and Ready” for League Opener

Savanna 14 Sunny Hills 40

The Rebels' first league game for the 72-73 season was not what everyone expected. This game was supposed to be hard-fought and the team with the least mistakes would prevail. QB Dave Radvany took over the Big 'A' passing lead, while Mike Schaub, Nick Dialynas, and Doug Skelton were all in the top five in receiving in the Big 'A'. Even with these impressive stats, the Rebs didn't get what they wanted most of all—a victory.

Savanna 14 Fullerton 7

The Fullerton game brought the highest point of what you could call a disappointing season, with the Rebs starting off quickly, scoring first and never looking back. Savanna stunned the crowd by leaving the TRADITIONAL Stars and Stripes in the locker room, and came out running the ball instead. Usually, the Rebs score on long bombs, but this game the Rebs put together two long drives, fighting for each inch on the ground. Doing the bulk on the running were Dave Radvany, Dick Otsuka, Jeff Morales, and Jerry Weers. This was the Rebels' first win of the early season, and spirits were flying high.

Rebs Show Talent

Savanna 14 Troy 26

The Rebel Varsity squad went into the Troy game with high hopes, looking for its 2nd league win. Even though the Rebs spotted the Warriors a two touchdown lead, they fought back, with a Dave Radvany to Dick Otsuka pass for a score with no time remaining in the half. Halftime brought the crowning of Homecoming Queen Liz Verduzco. When the game resumed the Rebels were fired up. But a fumble with 2:47 remaining ended Savanna's hopes. The Warriors tallied again, and the Rebs were never able to catch up. Twice, Savanna held Troy on goal line stands, but it wasn't enough.

Savanna 0 La Habra 27

The Rebel eleven traveled to La Habra to take on the league powerhouse. Savanna went into the game at least 30 point under-dogs. La Habra presented one of the best offenses in the county, but they couldn't muster a point against a rugged Rebel defense. Savanna's offense sputtered also as the half ended at a scoreless tie. The second half looked to be a twin of the first, until blood finally spilled. With 6:03 in the 3rd quarter a Dave Radvany punt was returned 55 yards for a Highlander TD. From there on it was all downhill, as La Habra scored three more times. Much credit must be given to the Reb defensive unit as they represented Savanna in a way that everyone should be proud of.

LOWELL 7 SAVANNA 0

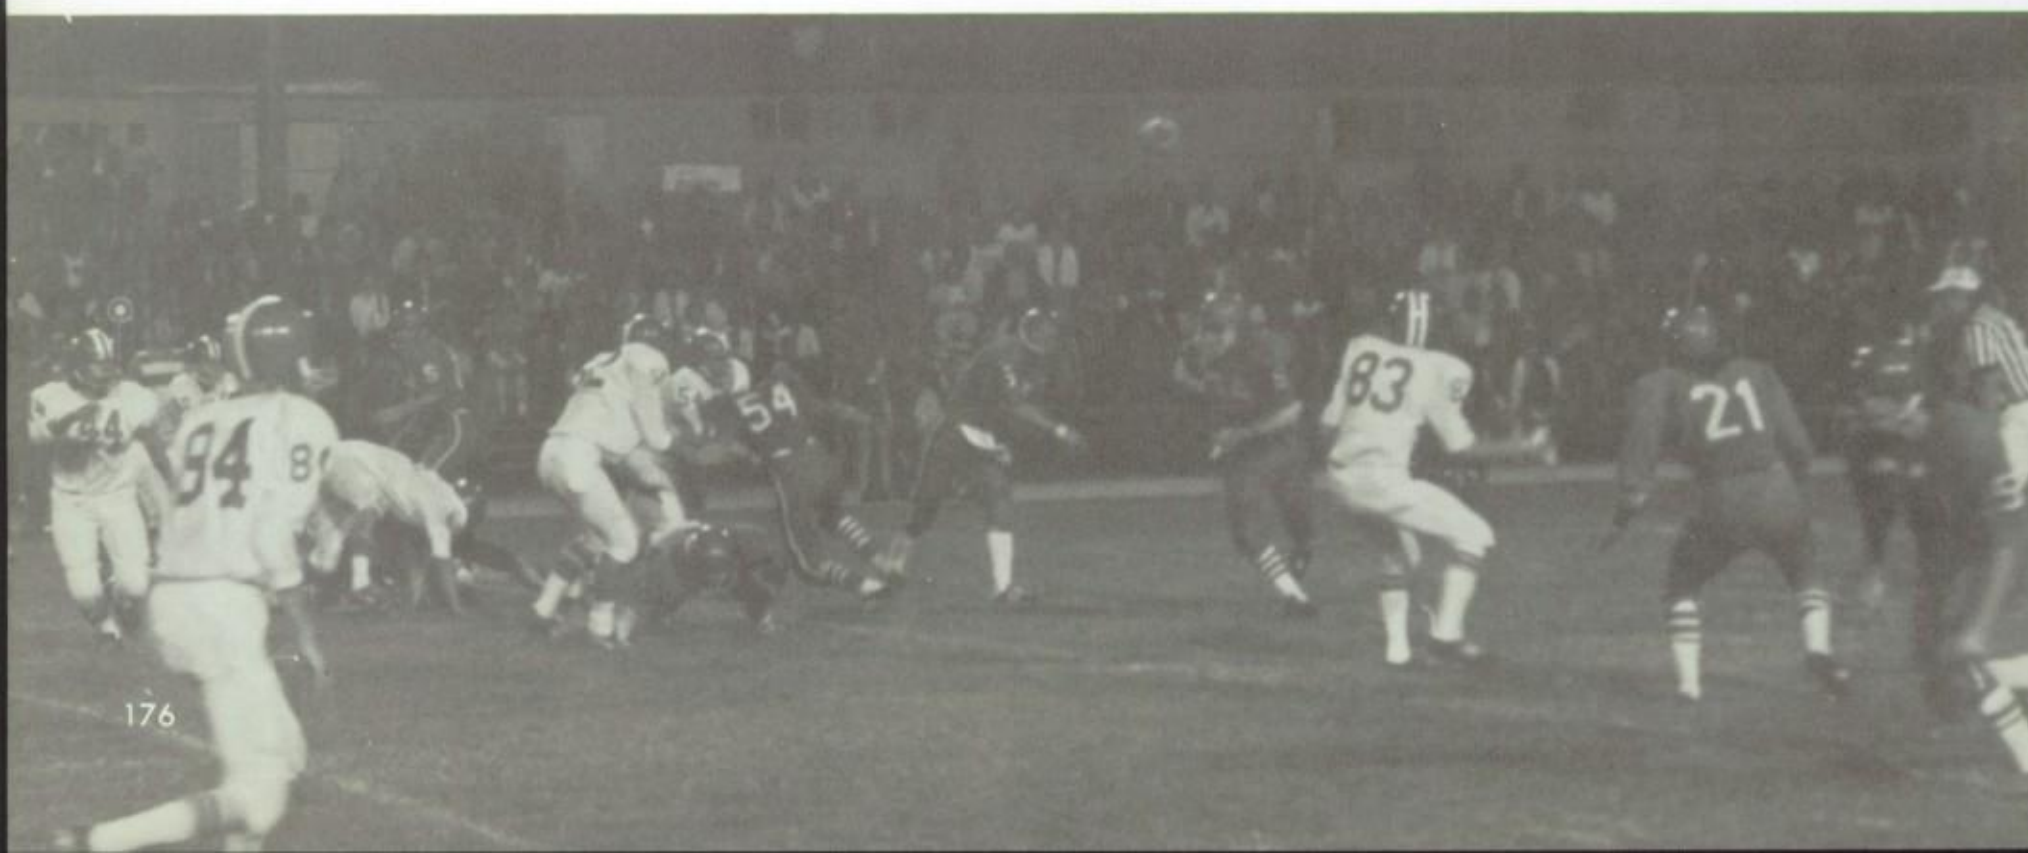

The Rebels' twenty-two traveled to La Palma Stadium with high hopes for a Rebel victory. The Rebels went with the I formation offense but it didn't prove profitable. A few key passes were caught by Nick Dialynas, Scott Martin, Richard Otsuka, and Jeff Gibson, thrown by quarterback Dave Radvany. The Mighty Rebel defense held the Patriots' offense scoreless until the final quarter with less than 3 minutes to play. Willard Wohlford stopped a Lowell scoring drive with a key interception and a 20 yard return. The Rebels of the week were Jeff Gibson and Willard Wohlford.

Kennedy 6 Savanna 0

On November 16, 1972 the Savanna Rebel football team went to La Palma Stadium in high hopes of knocking off the Fighting Irish; but the only score in the second quarter seemed to make the whole difference in the game. The Rebels changed to the "Stars and Stripes" offense. They marched on Kennedy's defense but they just couldn't put points on the board. But you would have to give the defense credit for allowing the strong Kennedy offense to score only 6 points.

On a cold and rainy Friday night the 12 seniors out of a roster of 56 played their last football game for Savanna. The Rebels could never get their footing because of the muddy Buena Park Field. But one spark in the offence was the return of Mike Schaub at QB. The only score came on a one yard plunge by Jeff Morales. Some fine individual efforts were by Tim Velez and Steve Davis on their interceptions and Joe Martelli, Dave Simmons, John Kerkove, Richard Otsuka, and many others.

This years Sophomore football team had a rather dismal season mostly due to some key injuries. The season opened up with a loss to Sierra. The team showed confidence of victory and went in at half time leading 6-0. The Sierra team came out fighting and when the gun sounded Savanna was at the short end of a 8-6 loss. Coach Frank and his assistants, Mr. Fries and Mr. Anderson, worked diligently all year trying something new every week. But their hard endeavors came to no avail as their final mark for the season was 0-9.

Confusion

Savanna 77 Kennedy 55

After a close fought victory over Lowell, the Rebel cagers faced league rivals, the Fighting Irish of Kennedy High. The Rebels, well prepared for a tough game, had the Irish eating out of their hands by the end of the first half. The last half was just a game of walking the dog by the leash, and when the final buzzer sounded the Rebs went to the showers with a surprising 77-55 victory.

Savanna 63 Buena Park 69

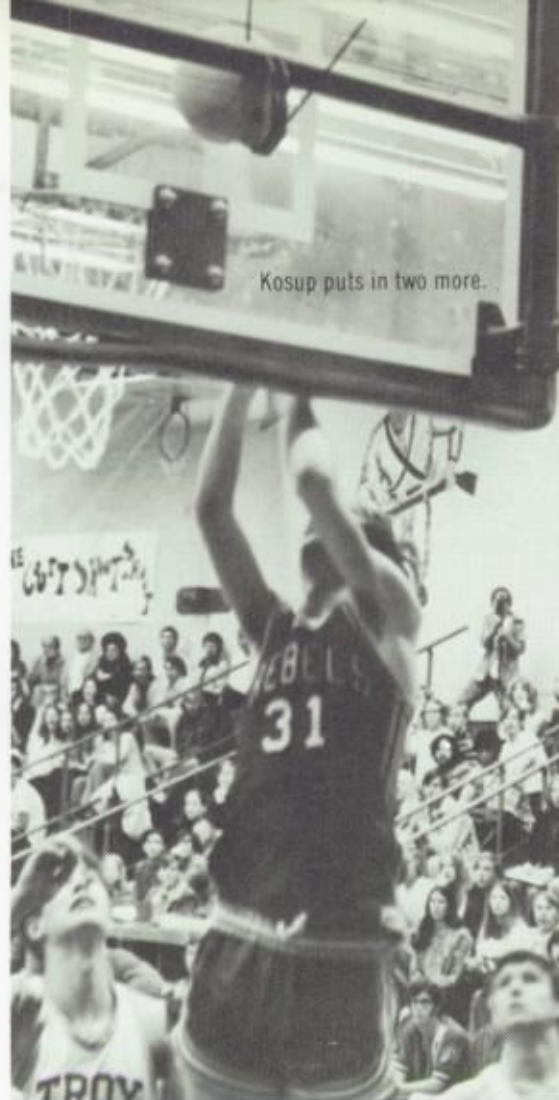

The Rebels traveled to Buena Park for the final game of the first half with the hope of starting the second half with a 4-3 league record. Savanna started out well and maintained the lead throughout the first quarter, but the rest of the game was a different story. The Coyotes jumped into the lead and stayed there the rest of the game. The final score was in favor of the Coyotes, 69-63.

Savanna 73 Sunny Hills 59

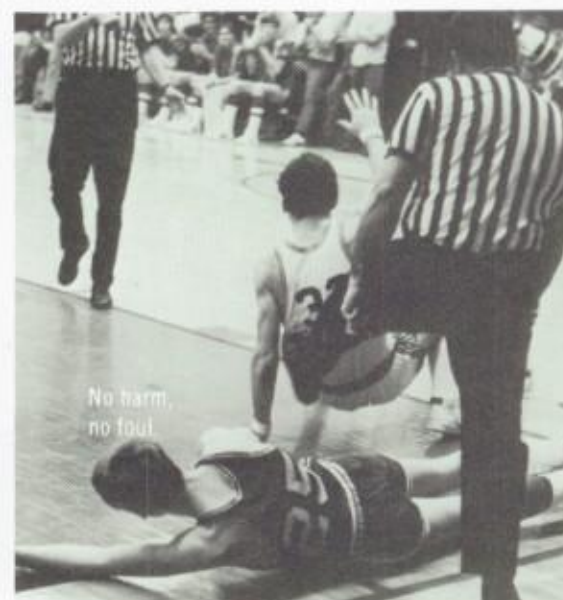

Savanna, still in the race for CIF, faced the Lancers of Sunny Hills in the Rebel gym. Sunny Hills, who was the victor in the first encounter, took an early lead but it was soon captured by the Rebels who in turn handed it back to the Lancers. The game went like this until Savanna spurted ahead in the third quarter. They stayed there this time and only increased their lead. At the buzzer, the score, Savanna 73 Sunny Hills 59

Russo comes through the tunnel.

Savanna 63 Fullerton 65

The Rebels traveled to Fullerton in a very crucial game to both Savanna and Freeway League leaders, Fullerton. The first half ended with the Indians ahead by four points, which they quickly increased to twelve in the third quarter. The Rebs soon bounced back and were down by 5 with few minutes remaining in the game. This is when the game really started. The Rebs quickly applied a successful press and gained four points putting them down by one again. The press was applied and a foul was called on Savanna. The timer, who must have had a heart attack, forgot to turn off the clock and 2 seconds ticked by, leaving Savanna 1 second to score. The effort was in vain and they went home with a sad 63-65 loss.

No harm, no foul.

Nering hits two from 20.

Savanna 47 Fullerton 57

Playing to the tune of 'Bud,' Savanna gunned their way to a quick 11-0 lead. When the hot streak ended, the Rebs were playing to the 'Ballad of the Sad Young Men', as the Indians caught the Rebels and passed them up like they were standing still. Before the Confederates woke up, they were down by 10. From there, all they could do was play even with F.H.S. The loss made it two straight for the 'Red and Gray.'

Savanna 63 Sunny Hills 65

The Savanna five traveled to Sunny Hills for their first league encounter. The game was tightly fought, but the Rebels had a six point lead with only 90 seconds left. The Rebs decided to stall, which turned out disastrously. The Lancers scored nine uncontested points as a result of many Savanna turn overs. The Rebs scored again, but it wasn't enough, as time ran out and the agony began.

Maze battles for rebound.

Savanna 75 Troy 64

Troy came to Rebel land expecting to run the Rebs out. But they were surprised by a fired up Savanna squad. Playing an effective defensive game, Savanna was able to keep Troy's Mark Wulfemeyer in check. Before the game ended the teams were in fistycuffs, but no one was injured. The victory was sweet, as the mighty Rebels were sitting on top of the world.

Who's got it Maze or the Wolf?

Maze puts in easy two footer.

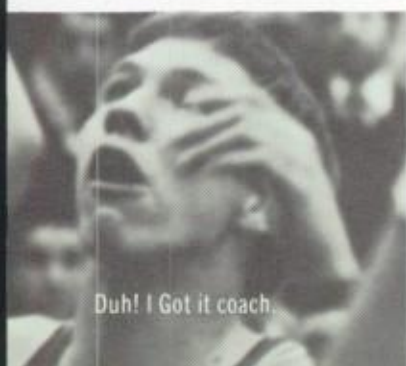

Look out Wulfemeyer; here comes Maze.

Savanna 46 La Habra 48

When Savanna met La Habra they weren't at full strength. Center Dave Maze was out with the flu. But the Rebs played well. Dave Nerney came to life in his contest, hitting crucial shots and bringing down several rebounds. But Lady Luck again was against the Dixie Brigade. With only seconds left, Nerney missed a jumper and oblivion struck again. The ride home was silent for the Rebs.

Duh! I Got it coach.

Savanna 61 Lowell 59

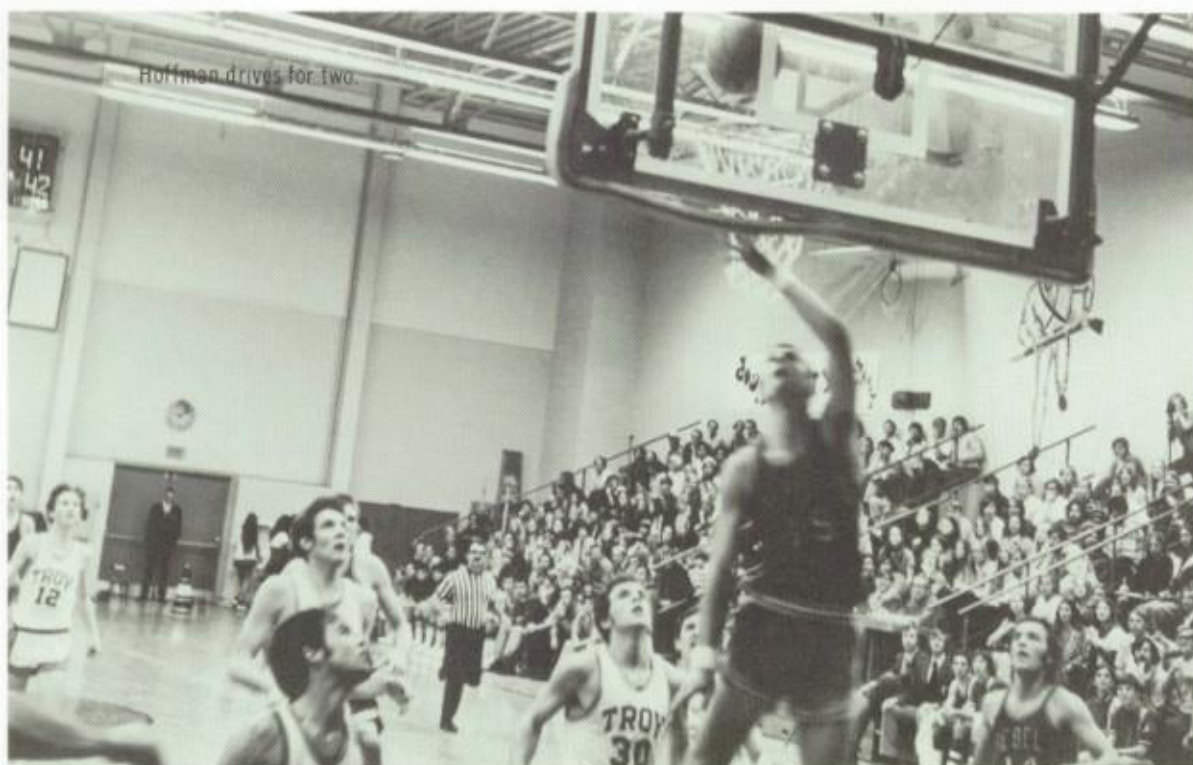

Basket for Savanna. Basket for Lowell . . . That's how it went the whole game. Neither team could pull away from the other. It went down to the final seconds of the game. Greg Hoffman hit a twenty footer, with only seven seconds left. This gave the Rebs a two point lead. Lowell couldn't score, and bedlam broke out. Fans, players, every one was in jubilation. The band played Dixie, followed by the Alma Mater. Proudly we sing to you Savanna high . . .

Maze pops from the corner.

Bench and fans watch in awe.

Hoffman drives for two.

Savanna 58 Troy 73

The Rebels entered this game with their hopes of making C.I.F. on the line. The Warriors, on the other hand, were in the same boat and needed this one. The gym was packed by the time the J.V. game had ended and many had to be turned away. Many had expectations of another brawl as in the previous encounter. The first quarter ended with the Rebels down by only four, but then the Troy superstar, Mark Wulfmeyer, went to work and practically single-handedly beat the Rebels.

Hoffman gets up high on jump.

Savanna 77 La Habra 74

Both Savanna and LaHabra entered this game with second thoughts about what had happened this season. LaHabra was supposed to repeat as Freeway League Champions but instead ended up as Freeway door mats. Both teams played as if they didn't care during the first half, and exchanged baskets. The Rebels seemed inspired in the last half and at the end of the game the Rebels were on the winning end of a 77-74 decision. This marked the first time a Rebel cager team had beaten LaHabra since the 1966-67 season.

Savanna 70 Lowell 58

The Patriots, up to this point, had been hard to beat at home, and the Rebels hadn't won a game away. This game was to be one of the more interesting of the year. Things got started long before the game had begun with the cleaners losing the cagers' uniforms, so they had to wear their home apparel. The game was never close, as the final score showed the Rebels ahead 70-58.

BELOW-Booker scores deuce.
RIGHT-Pickler and Russo displeased.

Savanna 85 Buena Park 81

The Rebels entered this game with a chance to end their season with a winning record. The Rebel cagers had their problems in the first half but came back only to have the Coyotes tie the game up in the last 1:25 of the game. This was the first time the Rebels had gone into overtime. The Rebs started quickly scoring first, and ended up with an 85-81 victory. The Savanna Rebel basketball team ended with a Freeway League record of 8-6, good enough for 3rd place and an overall record of 11-12.

Savanna 94 Kennedy 86

This game would have to be one of the highlights of a rather disappointing season. Not only did it mean eliminating Kennedy from a possible C.I.F. berth, but it also marked the first time a Savanna basketball team won 2 games from their cross-town rival in one year. This also was the highest point output of the year for the Rebels. The game was "nip and tuck" as the Irish were fighting for their lives and the Rebs for their pride. It would be hard to try to pick out just one outstanding player, as many starters and players off the bench did such outstanding jobs. But on the scoreboard, where it all counts, Dave Maze had 21, Steve Nering 22, and Bob Russo chipped in 20. This win upped the Rebels record to 7-6.

Imes pops for two.

The Junior Varsity Basketball team started the year off slow. But when league play began, they started to jell. Losing their loop opener with Sunny Hills was not a preview of what was to come. Coach Anderson came up with winning combinations. The team seemed to improve as the season went on. They ended up in second place. The squad was led by sophomore playmaker Brad Sarvak. Brian Hayes, Denny Imes, Henry Stewart and Bruce Hyland made up the backbone of the unit. Coach Anderson also had a super sub in Craig Amerkhanian. Despite the fact that team was very young compared to other JV teams, they did a fine job all year.

Hayes scores under pressure.

Individual stars for the team were Alex Maese, Carl Baldini, Lance Woods, Nat Miller, Doug Swing, and Dave Brown. Since cross country has never been very strong at Savanna, it is mainly to condition athletes for the track season.

Nat Miller coasts past finish.

Terry Lowry keeps his distance in front of SH opponent.

Wrestling

This year's wrestling squad was improved from previous years. Much credit must be given to coach Lugo. He worked harder than anyone else to get his grapplers ready. The team had many standouts. Tony Kulgis, Jimmy Estrada, and Steve Murphy are only three of what was an all-star cast. The year had many sad occasions, and many many happy ones. No one will forget when the fans chanted, "We want Switchblade Casale." Next year coach Lugo will have many returning letterman and another good season. But Mr. Lugo will never forget the 72-73 scrapper squad and the excitement that they brought him, and the student body.

Boy of the Year Gary Newkirk

Gary has worked long and hard hours for the benefit of Savanna during the three years that he has been a Rebel.

He has served as Class President, an athlete and an academic leader on this campus. Gary ranks in the top 3% scholastically in his class and has earned the right to wear the Savanna Lettermens' jacket by earning varsity letters in Football, Wrestling and Baseball.

Girl of the Year Debi Parks

Debi was a great asset to Savanna.

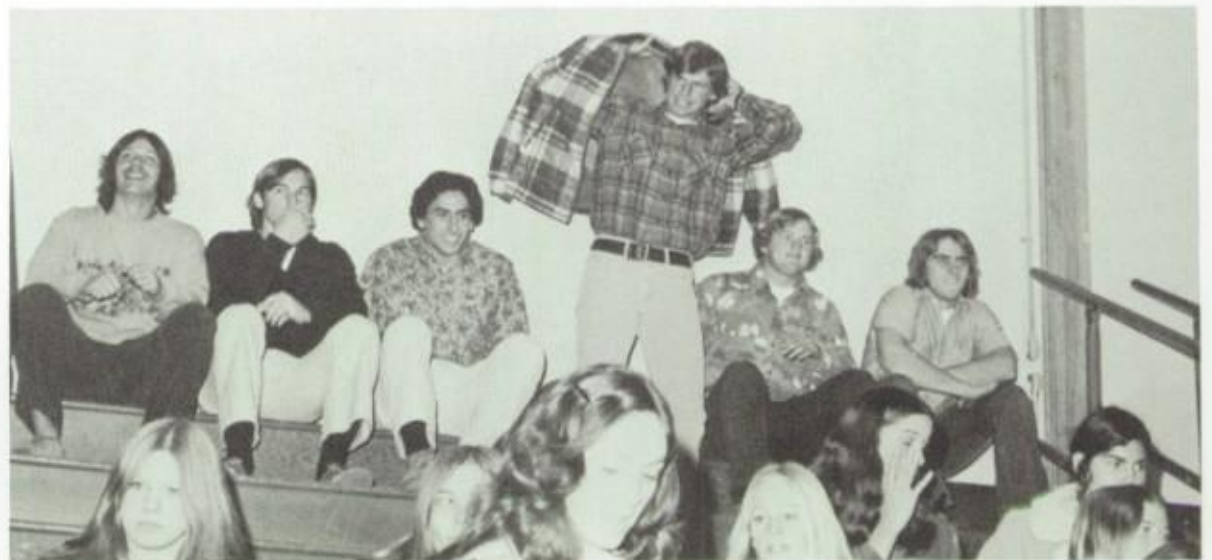

She has been actively involved in Songleading for two years. Her sparky personality along with her pride in Savanna led her to be head Songleader.

Debi's outstanding efforts were seen in both Rebel 72 and Rebel 73. She served actively in Student Council as the President of the Inter Club Council. Debi is truly an outstanding Rebel.

You are a child of the Universe
No less than the trees and the stars
You have the right to be here
And to sing your song
Whatever it may be.

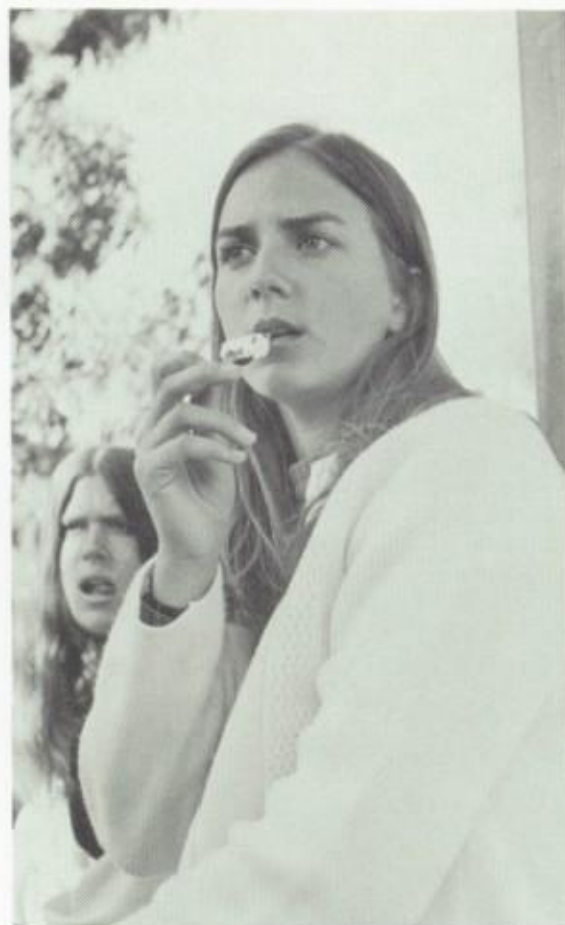

Freedom rests and always will, on individual responsibility, individual integrity, individual effort, individual courage, and individual religious faith.

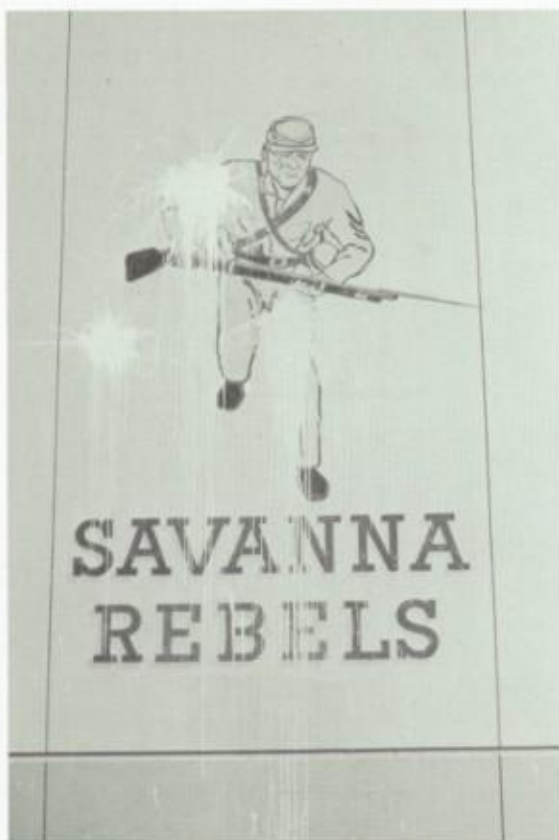

Let us be the first to give a friendly sign,
to nod first, smile first, speak first, and - if
such a thing is necessary- forgive first.

Do not judge your friend until you stand
in his place. You shall judge a man by his
foes as well as by his friends.

Do all the good you can
By all the means you can
In all the ways you can
In all the places you can
At all the times you can
To all the people you can
As long as ever you can

Kathy,

There is a lot that can be said but I won't say it. We've gone through a lot of stuff together. In one instance you came out better than me. (you know what I mean) I hope we become and remain fast friends for a long time. If our dreams come out I hope old friends won't part. I'll be married to some rich fox and you'll be married to an old man (rich also). I'm going to miss you next year without you here. Who will I gossip with?

Kathy.

I wish you were in 10th

So I could have 2 more years with you! This year in P.E. was so much fun. I wish you all the luck in the world. Maybe I'll see you at Sears.

I am going to miss you greatly this summer. Who will I talk with. I LOVE your new car. Good luck all alone at F.J.C. next year. Don't be bad to Lyonel. He means well. Do you remember some of the dumb things we've done? Getting lost till 4:00, going to Pinwinnies, Continental Showcase, etc. Someday we'll get together and buy that furniture at Sears (your discount) and get an apartment and party. We can give our extra keys to our extra boys. Next summer if my parents go somewhere and I stay home I get the house. My mom said if you (or whoever wants to) want to pay a cheap rent you may stay there. Think it over. It's such a nice feeling to know I can go to "R" rated movies. I'm a WOMAN.

Kathy,
I had fun
with you this
year. Because (I
are unusual) you
